

student\_noncentral\_cdf

```
graph LR; A[student_noncentral_cdf] --> B[student_noncentral_cdf]
```

A diagram illustrating a transformation or mapping. On the left, a rectangular box with a light gray fill and a black border contains the text 'student\_noncentral\_cdf'. A dark blue arrow points from the right side of this box to the left side of another rectangular box on the right. This second box has a white fill and a black border, and it also contains the text 'student\_noncentral\_cdf'.
